

## Shaitan Kshetra on Kuku FM

### [Shaitan Kshetre Detail Review](#)

Oh God, where have we gone? Someone  
save me Ram Ram Ram Ram Ram Bhai,  
get out of here and go to the mansion. Shiva and Chakku had  
no idea that they were  
not going towards their destination but They  
are taking steps towards their death but their death was  
not going to be that easy. With every passing moment,  
a dark shadow was appearing in front of the eyes of Shiva and Jaggu  
and they were remembering  
that night when they were in this mansion. Came  
[praise]  
Brother, is it necessary to go today and see what the  
weather here is not good. Jaggu  
was talking to Shiva who was currently

keeping some things in the trunk of his car. He was getting so irritated by Jaggu's words.

It was clear from his face that he has to reach the mansion as soon as possible, for which he does not listen to a word from Jaggu and gets irritated with him and goes and sits on the driving seat

[praise]

but when he sees that Jaggu is still not sitting there I can't hear at once. Have you put cotton in your ears?

Brother, I know you are in a hurry but understand that it is just evening, it will be midnight by the time we reach there. That area is not safe. I am telling you for the last time.

So sit in the car or else stay here and break the free bread. Hearing this from Shiva, Jaggu sits face down in the car. As soon as he sits, Shiva

puts his foot on the accelerator of the car and leaves from there at a high speed.

He looks at Jaggu.

But this time he looks at her not with anger but with a smile. You had

promised me that you would never leave me, so why are you going on so much today? If you didn't want to go, you should have told me earlier. If you tell me from time to time, how will it work? Now don't pout, let's play your favorite song, there is no turn, how can I let you live like this? Shiva doesn't listen to Jaggu and plays the song in the car.

Jaggu also

gets happy seeing Shiva laughing. Both of them start humming the song together. Their car was moving at a high speed, piercing the silence in the darkness of the night.

Soon the car reached the highway. It was around 2 o'clock in the night.

Shiva looked towards Jaggu. He had his seat back and Jaggu was sleeping comfortably.

Hey Jaggu, stand up, we are about to reach our destination,

what is the problem with that Kumkaran's sixth child,

when you see he is sleeping, hey man,

let me take rest for a minute, my eyes were closed just now,

Shiva is trying to see far away from the lights of the car. The

weather outside is very bad

and along with the weather, the road on which their

car is traveling is absolutely bad and full of potholes.

You were saying that this is a highway, there is not a light here, on top of that there is a pothole, my earnings are ruined.

Brother, drive with ease so that it doesn't happen that we

reach the mansion with a hump, I am driving it with care but

think, if you become a hump and there is

a hunchbacked witch in the mansion, then you will

make a great pair. On Shiva's words, Jaggu gave

him a light punch. Mara and I don't know

how suddenly the car became unbalanced and

went down the highway and began to wobble. She was about to hit a tree when

suddenly Shiva

applied the brakes. As soon as the car stopped, its lights and the

song playing inside stopped. Jaggu slowly started

his car. When he opened his eyes, he saw only darkness in front of him,

even he could

not see Shiva. Shiva was trying to start the car.

Shiva

was not able to start the car even after many attempts, then

he heard Jaggu shouting.

Jaggu was shocked after hearing this. He had seen someone standing outside the window of the car. Look Shiva, there was someone here, there was someone here at my window, you are here, my brother, yes, I am here but there is no one else here except me, you are confused. Look how dark it is outside, when the car starts, Shiva leaves Jaggu's hand and starts starting the car. The car is not starting, on which Shiva gets frustrated and hits the steering wheel of the car hard, after which suddenly the car starts and Lights also come on on the road in front. When Shiva and Jaggu look outside, they see fields and trees nearby and a mansion built in the distance. Yes, what's the matter, brother, I feel that this is the only path that will take us to our destination, brother. Something doesn't seem right, look, earlier there was not even a single light and now everything is bright, friend Jaggu, why are you so stupid brother, believe me, there

was someone here, yes there must be some mechanic ghost who also fixed the car and see The light has also been lit, you too, friend.

Jaggu looks at Shiva's face. He knows that Shiva will not understand any of his words right now.

Shiva becomes happy and starts moving the car forward. Now the road on which the car is moving is absolutely like butter. It's clear

brother, what a way to look, it feels like butter,

this is a street of the rich, yes Jaggu

doesn't react much to Shiva's words and

closes his eyes again, then suddenly

Shiva suddenly applies very fast brakes

due to which Jaggu falls in front of him. He collides with the windshield.

Shiva also gets disbalanced and

collides with the steering wheel. When he wakes up, there is no one there.

He sees Jaggu. He is rubbing his head and

looking at Shiva. Oh brother, what are

you doing, you could have killed me right now, I don't know, my

attention is on you. I was in front but suddenly someone

came in front and I

applied the brakes, what are you saying, get

down quickly, see who it was, you have come here for work,  
not to finish the work, Shiva and Jaggu get  
down from the car in a panic and  
start looking around. Then his eyes  
fall on an old man who is lying down.  
Shiva picks him up and looks at him carefully.  
His eyes fall on the face of the old man  
who is covered with a blanket. He has a  
stick and red tan in his hand. Baba you. I am not hurt,  
no, how can I get hurt, Baba, please forgive me,  
actually I did not pay attention,  
where do you have to go, no problem, you go Baba,  
tell me where you have to go, I leave you,  
what are you doing,  
I have gone mad from there. I am and I am going there, you are  
going to the mansion. The old man points towards the mansion,  
seeing which Shiva and Jaggu  
look at each other and then Shiva  
comes to Jaggu and takes him to the car.  
What do you say man? Give him a lift.  
Hey, is this also something to ask?  
We also have to go to the mansion. Ask this Baba.

Shiva turns back to ask the old man to accompany him to the mansion

but the

old man is no longer there. Shiva and Jaggu are

far away. They run their eyes till the

end and look around but there is no one there. After all,

who was that old man? Why do Shiva and Jaggu have to

go to the mansion? Who was that dark

shadow that was seen by Jaggu? Was it an illusion

or was it a sign of knowing the truth?

Keep listening brother, they will kill us,

what should I do? The car is not starting.

Whose mansion is this big?

Shiva

runs away. Both Shiva and Jaggu were surprised and were

looking towards the road. They could not understand

that the old man was there in the darkness of the night.

Where did he suddenly disappear? Both of them are

looking at each other nervously. It seems

as if their throats have completely dried up. It

is around 3:30 in the night and both of them are

standing on an unknown path when Jaggu asks

Shiva. Frightened, he asked, "Where did that old man go? He

was going in this direction, where did he disappear so quickly? It

seems that he has moved ahead quickly in the dark,

but why are you so nervous?"

Jaggu looked at Shiva with suspicious eyes

and worry. He said in a loud voice, "Are you

not nervous? I had seen trees jumping in the distant fields,

so I would say

turn the car back from here. It is not right to go ahead.

Hearing this from Jaggu, Shiva

looks at him angrily and towards the car. While

leaving he says, I am not going to leave from here without completing the work for which I have come.

Seeing the smile on Shiva's face,

Jaggu follows him and standing near the window

says, I too feel like going,

but the circumstances. It doesn't look right. The

path leading to that mansion is not visible anywhere.

Yes, nothing is visible in this darkness,

but maybe a little further ahead, a path to that side can be

found. Jaggu sits in the car and

puts on his seat belt. He knows that Shiva will not listen to him, so he asks him to move the car forward, so Shiva slowly moves his car forward so that the way to reach the mansion does not get lost, but suddenly from somewhere far away, Shiva and Jaggu are seen being attacked by dogs. In the silence of the night, there was often the sound of dogs barking, but this sound was not of one or two dogs but of half a dozen dogs, which was increasing with every passing moment. The sound was so terrible that Jaggu was on the seat of the car. While sitting, he starts shivering, he musters courage and looks behind the car, in which he sees many shining eyes, Shiva also sees from the side mirror of a car, then Jaggu tremblingly says to Shiva, where are these dogs following us? It seems that there are stray dogs of the village, they have started following the car after seeing it so late at night. Both Shiva and Jaggu were inside the car,

so they were sure that the dogs will not be able to do any harm to them and will go away on their own after some time because Shiva He had slowed down the speed of the car, taking advantage of this a dog jumps on the roof of his car and starts clawing at the roof of the car vigorously and two-three dogs start breaking the front glass of the car. Then Chakku gets irritated and says to Shiva, what are you doing, Shiva bhai, make the car go faster otherwise these dogs will break the glass. Heeding Jaggu's advice, Shiva puts his foot on the accelerator and starts speeding the car with a jerk due to which the dogs on the car fall down. They come and leaving them behind, don't know how the car comes to a path, seeing which Shiva gets happy and says to Jaggu, take Jaggu, it seems that this path will go towards the mansion but I am very surprised to see this path but the mansion. How can the road leading to the Haveli be so bad? It is a road built from a very old time.

Let's go and see. As the Haveli was coming closer, its height was increasing, seeing which even Jaggu was scared but Shiva was very happy. He says to Jaggu, Jaggu, it seems that we are on the right path and in next 5 minutes we will reach in front of the mansion.

I feel very strange after seeing this mansion. After about 10 minutes, the car stops in front of a big wooden door.

Jaggu and Shiva had seen such a big mansion for the first time. The mansion was very deserted. There was not even a single bird there, but there was a small bulb outside the mansion, whose light was only shining downwards on the gate of the mansion. Shiva closed the car and took a look. Taking a breath I told Jaggu, let's go down and if there is someone inside that door, ask him to open the door, what are you doing, I am not going to go near that door first, you yourself go and get the door opened, I am fine here.

Saying this, Jaggu remains sitting on his seat and starts looking towards the front. Seeing this,

Shiva gets very angry but he does  
not say anything to Jaggu and himself  
gets down from the car, breaks his limbs and  
moves towards the door of the mansion.  
Shiva goes and sees that there is a small window  
through which only the face can be seen  
but there is no one there, so Shiva  
shouts loudly - Someone is there, Hello, someone  
is inside,  
Hello. Shiva goes near the window shouting  
and enters the mansion. He tries to peek inside  
but suddenly he hears someone passing from behind him.  
Shiva gets scared and turns back  
but there is no one there.  
Shiva strangely looks a little distance and  
sees the trees moving there, which were shaking in the wind.  
Seeing this, Shiva takes a sigh of relief  
and calls back, there is someone inside, listen,  
open the door, we have come from a long distance, hello,  
Jaggu sitting in the car  
was looking at Shiva very carefully, he was feeling very scared,  
then he realized that he was The

car in which he is sitting suddenly starts shaking,  
he gets out of the car in panic and runs  
to Shiva, seeing which  
Shiva also gets scared and says to him,  
what are you doing, why are you scaring me, I am  
not comfortable. Shiva bhai, something  
is wrong, your car started shaking on its own, that's why  
I came down from that car, you  
stay quiet, you yourself are scared and are scaring me too,  
Shiva said this and  
called back to open the door. Then  
both of them heard the sound of dogs barking from a distance.

This sound starts increasing with every passing moment. Shiva and  
Jaggu get very scared after hearing these sounds.

Jaggu's air is getting tight due to fear and  
then he Shiva says to Shiva, Bhai, let's  
go, the dogs are coming towards us,  
maybe they have heard your loud voice,  
no one is opening this door, it  
seems whoever is sitting on the other side of the door is  
fast asleep, let's go. Quickly

sit in the car, we will open the door later,  
first we have to avoid these dogs. Both of them  
turn towards the car and then they  
hear the sound of the door opening.  
From the other side, many dogs were  
coming running towards them. Both of them did not pay much attention. After  
thinking, it was right to run away from the spot and quickly  
entered inside the mansion and quickly closed the door of the mansion. The  
sound of dogs barking was coming from the other side of the door,  
but they thought that now there was  
no danger to them, then they Both of them took a sigh of relief  
and started smiling at each other,  
then suddenly they remembered  
who opened the door, they  
turned back to see and were shocked,  
who was the person who opened the door, what  
was this mansion like? Now Shiva and Jaggu will be able to  
come out of the mansion,  
brother, we have to get out of here at any cost  
Jaggu, don't look back, this is all a

trap, it is

easy to come here, sir, don't go,

save me. Don't know for what purpose Jaggu and Shiva had

come to this mansion. But

whether their coming here was a coincidence or someone's

conspiracy was yet to be revealed.

Jaggu and Shiva escape from the dogs and

come inside the mansion but they still do

not know who opened the door of the mansion.

Shiva and Jaggu. To know this, we

look back and are

surprised to see that person. Yes, the

same old man was standing in front of Shiva and Jaggu

whom they had met on the way, but

how did he reach here before them,

both Shiva and Jaggu are surprised by this. Shiva and Jaggu are shocked and

say to the old man, "Hey Baba,

you opened the door at the right time

otherwise the dogs straying outside would have killed us.

Now tell me your name. What

is your

Chandal?" Shiva and Jaggu both heard this name. They are

shocked as if they have heard this name for the first

time. They again ask the old man his

name. What did you say? Your name is

Chandal. Yes

Chandal. This man named Chandal was

really looking like Chandal to Shiva and Jaggu.

Jaggu was scared of him. His legs

started trembling because of this but that poor fellow was helpless and

could not even run away leaving Shiva here. Shiva

gathered courage and asked Chandal in a trembling voice that

we have to meet Dilawar Chaudhary, the owner of this mansion.

We have come here to meet him,

Shiva's Hearing the name of Dilawar Chaudhary from his mouth,

Chandal looks at the two boys standing in front of him

from top to bottom and

asks them with suspicious eyes,

what is the work of Chaudhary Sahib,

why should we tell you this? We are their guests.

Who is I? I am the watchman here.

Shiva stood a little away from Chandal

and laughingly

said to him, 'It's good Baba, now you  
introduce us to Chaudhary Saheb, now Chaudhary Saheb, we will  
meet in the morning, I will leave you in the rest room.

Yes, you take rest there,  
yes, okay, we will meet them in the morning.

Hearing Jaggu and Shiva's conversation, Jaggu  
turns back and smiles lightly, but then

Shiva interrupts him again and asks him, '  
Chandal ji, just a minute, our car is parked outside.' Please  
tell me some trick to bring  
us inside. The dogs outside are waiting for us.

Hearing Shiva's words, Chandal  
goes towards the big iron door of the mansion and  
in one stroke opens that big door.

Shiva and Jaggu seeing this. They are  
surprised as to how an old man

can open such a heavy door in a single stroke. As soon as they see the Chandal,  
all the dogs standing outside run away  
as if they have seen a ghost.

Jaggu is surprised to see all this but

All this seems very normal to Shiva. Shiva parks his car

inside under a tree.

Jaggu is still standing near the door and suddenly a very strong wind starts blowing due to which the iron door starts shaking very fast. It seems as if the wind had to give some warning to Jaggu and Shiva. Jaggu moves away from the door and runs towards Shiva and after this Chandal again closes the door with a jerk and then quickly goes inside. Shiva starts going and Jaggu also runs after him, but then Jaggu takes the opportunity and says to Shiva, is he really old or is he pretending to be old, I am feeling very strange after seeing him, let's pull his taddy. Let's see, who knows if we get our hands on it, keep quiet, don't talk nonsense, so what if he is old, it looks like he is younger than us, if he listens, he will make chutney, Chandal takes both of them inside the mansion. The mansion is very dirty from inside. When Shiva and Jaggu look around, they do not see

anything inside the mansion except very dim light, spider webs and dust.

Shiva coughs and says to Chandal,

looking at the condition, it seems as if

no one has lived here for years. Actually,

Lavar Chaudhary lives here with his family.

Everyone lives here but no

one has time to clean such a big mansion.

Let's go this way. Chandal stops in front of a room

and takes out a bunch of keys from his pocket

and He opens the lock on the room. The

door opens inwards. As soon as

Chandal goes inside, he switches on the lights of the room,

which makes the room glow. Shiva

and Jaggu become very happy as soon as they enter the room

because the room is very beautiful.

Jaggu is happy. It is said that the room has been

decorated very beautifully, it seems that they were

waiting for us, all the rooms here are so

beautiful, the guests are well

taken care of here, but the bar hall was very

dirty and the gallery from which

we had come was also full of dust. So what if

we can only clean the living area?

Okay, you two rest, I will leave.

Shiva and Jaggu find this statement of Chandal very

strange. Before they could ask him anything else,

he walks away with fast steps. He

walks out of the room and

also closes the door. Jaggu and Shiva are

alerted by the sound of the door closing. Shiva

says to Jaggu, I felt as if the door had

closed on its own. What are you talking about? That

old man must have closed it. Wait, I will

open it now. Jaggu was already very scared.

He quickly goes towards the door and

tries to open it. He

pulls the door towards himself with force but the door does

not open, Jaggu. He looks at Shiva with fear

and tries to open the door again.

This time Jaggu puts his hand on the handle

and pulls it hard but then the

handle falls off and falls into Jaggu's hand

and Jaggu falls to the floor very fast.

Shiva falls and runs and picks up Jaggu. Are you

okay? I am not hurt. I am fine

but the door is closed and now even the handle has been

uprooted. Now how will the door open?

Seeing Jaggu scared, Shiva moved forward keeping both hands

on the door. And he pushed him and suddenly the

door opened, after this Shiva turned back

and said to Jaggu, O bastard, this door

opens not from inside but from outside, you unnecessarily

put all your strength on this handle and uprooted it.

Jaggu gets confused after listening to Shiva.

He thinks that when he came into the room,

Chandal had opened the door from inside

but he lets it go and

laughs strangely that this door is better than Shiva,

no one opens it from outside, now whatever

was to happen has happened. Look again, see

where the door opens, otherwise this time you will uproot the door itself.

Shiva

closes the door to make Jaggu understand. With the door being closed, the

lights of the room also go off.

Seeing this, both Jaggu and Shiva get scared.

What was going to happen

Who is Thakur Dilawar Singh with Shiva and Jaggu

What is the truth of the mansion Is Chandal a human being

or is he a devil Keep listening to know

We have made a big mistake by coming here,

go and sleep quietly

i.e. girl No,

both Jaggu and Shiva had

come to Thakur Dilawar Singh's mansion but since the time they

came here, very

strange incidents were happening to them, first

an old man suddenly appeared in front of their car

and then they were suddenly attacked by dogs. They are

attacked, even after coming inside the mansion,

everything is strange happening to them.

As soon as the doors and lights of the room are switched off,

Jaggu and Shiva get scared,

what happened to this light, Shiva had to go

to Jaggu now too. Seeing him scared, he takes out the mobile from his pocket

and consoles Jaggu and

says don't be afraid. Then he

takes out the mobile from his pocket and turns on its torch to

illuminate the room. Like Shiva, Jaggu also uses the torch of his phone. Shiva switches it on, looks around the room with the torch and then with a sigh of relief says to Jaggu in a tired tone, I am not able to sleep, there is one hour left for morning, till then he takes a relaxing nap, come. Shiva becomes very happy as soon as he lies on the bed and while lying on the bed, he says to Jaggu, 'Come, you too, this bed is really very comfortable, wow, it is very velvety, it was fun, listening to Shiva, Jaggu took off his shoes. He quickly goes to the bed and he also finds rest in Shiva's place. Light moonlight was coming from the window which was falling on the bed. Jaggu and Shiva were finding this scene fascinating. Both of them turned on the torch of their phones. He closed the bed and started looking at the moon visible in the window. Shiva was happy with Jaggu and said, wow, I have never slept on such a bed till date. I don't know what it is made of. It seems that the

bed has been brought from abroad, see how it is from the window.

Chandni is also coming straight to the bed but

then suddenly something happened which left Jaggu

and Shiva's eyes wide open. They

felt that slowly someone is coming down from the moon and

moving towards them.

Both Jaggu and Shiva are looking at each other with their eyes. But

unable to believe, both of them sat up

and rubbed their eyes. First they looked at each other,

then Jaggu looked towards the window and

said in a trembling voice, "

Who is this coming towards us from the moon? Is this a

dream, isn't it?" You are not dreaming,

it is true. Shiva got up quickly and

went near the window. He saw that the

person coming down from the moon had suddenly disappeared

and looking at Jaggu he was shocked and said, '

Now no one is visible.' Maybe

it must be an illusion. What kind of dream was this that we saw with our eyes awake? It

seems that we have really become victims of an illusion.

Now let's sleep peacefully. Both of us

go back to lie down on the bed and

with the cold breeze passing through us.

Both of them go into deep sleep.

Jaggu's sleep was so deep that the

whole room was echoing with the sound of his snoring.

Then suddenly a strange turmoil started in Shiva's mind.

He sat up on the bed

and saw that Jaggu is

sleeping snoring soundly next to him. Shiva is

about to lie back down when he

hears the sweet voice of a girl. Shiva is

unable to control himself and

walks out of the room wearing his shoes lying under the bed.

Looking at the veranda outside, he says, 'It's

450 in the morning, who is singing a song so early in the morning?

That too in such a melodious voice.' Shiva

turns on the torch of his mobile and

looks around. The entire veranda is dark. Then

he steps forward and looks at himself. He

tries to take the direction of the sound. As soon as the

stairs appear in front of him, he

says to himself that it seems someone is on the roof of the mansion and he is the one singing this song. Shiva reaches the roof of the mansion and there he sees a girl. In the morning. The cool and fresh air was quite refreshing.

He took a long and deep breath and started looking carefully towards the girl whose face was on the other side. Her hair was waving in the wind and was visible from behind. That girl was standing there mesmerizing.

Now Shiva

sat on a bench on the terrace and got lost in her voice while looking at that beautiful girl.

Light started appearing in the sky and that beautiful girl

folded her hands in the pre-sunlight. She bowed and stopped singing.

Now she turned towards the stairs and suddenly stopped. Shiva was so mesmerized in the song that he did not even realize

that the girl had stopped singing and he was still listening to her. The girl was immersed in the voice and was shaking her head with her eyes closed.

Now moving forward with quiet steps, she

stood in front of Shiva and pinched Shiva's  
ear and said, listen,  
who are you Shiva? Now open your eyes completely.

Seeing that beautiful girl in front of him, he forgot to even blink an eye. The girl was  
looking at Shiva with big eyes, her  
red lips were seen moving slowly. Shiva got  
lost again after looking at her face and started listening to  
her ears. Now I was not able to utter a single word.

Who are you and how did you come here? Shiva was  
still lost. The girl then  
clapped to wake Shiva up. Now Shiva suddenly  
came to his senses and stood up.

You, you, you. There is no need to ask who are you and who am I.

First tell me who are you  
and why are you here. I am my name  
is Shiva and I have come here to meet Chaudhary Saheb.

Okay, Shivaji,

how did you come so early in the morning? So we went at night, then  
your watchman Chandal made us

stay in the guest room and in the morning, after listening to your beautiful song here on the  
terrace,

I lost my senses.

Well, after hearing my song, I lost my senses,

or

the girl laughed after seeing me and said this.

Looked at Shiva again with his murderous eyes. Shiva is staring at him.

Who is this girl? How did she come here in this deserted mansion?

Who was Chandal? Is this a reality or an

illusion?

Keep listening Shiva to know that all these people are ours. Coming towards

Ram Ram Ram Ram Ram Ram Why did I

come with you

Don't leave me

[laughter]

Go Even after the sun rises, Shiva

is not able to take his eyes off the girl he

met on this terrace this morning. He knows her.

But I don't know why he is

feeling a strange pull towards this girl. He is

so engrossed in looking at her that he is not even aware

that he also has a friend inside the mansion

over whom clouds of danger are hovering.

Shiva tries to say something to that girl,

then he hears a noise from below.

Along with this noise, Shiva

also heard his friend's voice.

Without wasting a single moment, Shiva while walking told the girl that it seems something is happening below.

Shiv runs down the stairs

where he sees that four very powerful

looking men have held Jaggu

by his neck and are holding him in the air. Jaggu

is trying his best to protect himself from them. But he is not able to free himself from their grip.

While holding Jaggu, a

wrestler asked him in a loud voice, who are

you and how did you come inside the mansion, tell me quickly

otherwise I will break your neck, leave me,

I have come to meet Chaudhary Saheb.

Don't kill me, I am their guest. Okay, you are Chaudhary

Saheb's guest, but when did you come here and

why didn't we know?

You are lying, you are definitely a thief, first you guys

put me down and talk like decent people,

which one is this? Shiva was

on the stairs watching all this,  
he was scared of going down  
but seeing Jaggu in trouble, he  
could not stop himself and ran  
towards the wrestlers and said, "Hey, what are you doing?" Leave  
it, leave it, my friend. When all the four  
wrestlers caught sight of Shiva, first they were  
surprised to see him. After that, one of the wrestlers  
  
caught hold of Shiva's neck in anger and lifted him in the air. Shiva tried to  
free himself from the wrestler. He tried his best  
but he could not do it. How did you two  
come inside the mansion? Who are you?  
What are you doing? Leave us otherwise it will  
not be good for us. Oh wow, this  
little boy is threatening us. He seems to have some fun. Having  
said this, the four wrestlers  
started rubbing their hands on Shiva and Jaggu. It was  
time for Shiva and Jaggu to pull the bus,  
then these four strong wrestlers were  
stopped by a melodious voice. It was none  
other than the same girl who had met

Shiva. It was morning on the terrace, now the girl started moving towards the wrestlers and as she was moving forward, the elasticity of her body was making Shiva and Jaggu realize her beauty.

Both were hanging in the air but had forgotten and that girl.

Jaggu, who was still trying to free himself, kept looking at her with lustful eyes. Without saying anything, he started seeing that person coming towards him. He had even forgotten in his imaginary world that he was still hanging in the air.

Hearing the girl's voice, all four wrestlers lowered their eyes and made both of them stand on the floor,

Little Mistress, you leave them here, you all go from here,

both Shiva and Jaggu were looking at the girl with so much lust that they lost their senses.

Now all the wrestlers have left from here. Seeing Shiva and Jag lost, the girl once again

pinched Shiva's ear. Thank you very much that you saved us from these four wrestlers of yours, otherwise we would have had 412

bones.

That girl now brought a deep smile on her face  
and as soon as she smiled, it seemed  
as if hundreds of roses had bloomed on her face simultaneously,  
then she turned and started going back.

Shiva and Jaggu kept watching her going,  
then suddenly Shiva The light in his mind lit up  
and he stopped cooking the imaginary pulao and  
shouted in a loud voice, 'Wait madam, you have  
n't told your name yet.

Shiva and Jaggu run fast and  
reach the girl.

Jaggu also happily supported Shiva. Forgettingly she  
said, "Yes, you did not tell me your name. My  
name is Mayuri. Wow, your name is very beautiful.

Your name is Mayuri, just like you. The  
girl did not like Shiva Jaggu's words very much,  
so she gave a strange look,  
but Shiva is Mayuri's name." It was understood from the reaction  
that Mayuri did not like Jaggu's words at all,

so Shiva  
took the lead and said to Mayuri, Mayuri ji, we have to

meet Chaudhary Saheb, please help,  
can you tell where to meet him  
after some time? He will come to the meeting, come and  
meet me there. By the way, what business do you have with father?

Well, you are Chaudhary Saheb's daughter. Yes,

I am his younger daughter and my elder brother

Rajan lives abroad. You are the

only daughter of your father, Jaggu. Hearing this,

Shiva glared at her and signaled her to remain silent,

but Mayuri replied to Jaggu's words

in a commanding tone. Yes, I

am his only daughter. Mayuri,

looking into Shiva's eyes with her deep eyes,

lightened up. Saa smiles and walks away from there,

entangled in the web of Mayuri's beauty. Both Shiva and Jaggu

put their hands on their chests and

start watching Mastani's moves. As soon as Mayuri disappears,

both of them hug each other like this.

Like they have found a gold mine,

brother, I have fallen in love with Mayuri, I have

found your sister-in-law, what are you saying, I have

seen that beautiful Mayuri before you,  
so I will propose her first,  
after that you call her Bhabhi ji, shut up. Fatichar

I have already met Mayuri  
on the roof of the mansion and we both had  
many conversations and at that very  
moment I took out my heart and gave it to her.

Jaggu hangs his face after hearing these words of Shiva.

And with a sad heart he says to Shiva,

well, you had already met that Mayuri,

you left me alone in the room and

went to the terrace, what would have happened if something

had happened to me, I have

come here on your request, Shiva to Jaggu. Jaggu

starts telling everything that happened in the morning. Hearing Shiva's

words, Jaggu's face is becoming more sad.

Hey friend, early in the morning I

heard the beautiful voice of this Mayuri and I

went to the terrace to hear her singing, but you

came out of the room. What was I doing? I

couldn't sleep comfortably in the room. Brother, I was

sleeping in the room itself, but these four

picked me up and threw me down from the bed. Then I ran in this direction to save my life. It was good that Mayuri came on time. Gone, otherwise the four wrestlers would have crushed us. It's not like that. Are you crazy? If the situation gets worse then we should save ourselves.

Shiva is bragging in front of Jaggu when his eyes look carefully at the mansion and then his eyes. With wrinkles on his forehead, he starts running fast here and there in the mansion. He is alert and looking at the whole mansion.

Jaggu is looking carefully at Shiva. He gets worried and says to Jaggu, what happened when we came at night, the mansion is a bit desolate.

Jaggu's attention now went to the mansion because till now he was busy saving his life and then he got lost in the beauty of Mayuri. Now he also started seeing the mansion a little different from the night. Shiva now moved quickly towards the gallery where he could

not see any spider web

nor could he feel the dampness and smell of the night. Was it

so early in the morning? It

seems that they cleaned the mansion in the morning.

Now both of them came to the hall of the mansion,

where at night everything looked haunted,

but your scene was completely opposite to that.

What is going on, who

is playing inside the mansion? How Mayuri suddenly came with Shiva and Jaggu

in the deserted mansion where there was no one.

Keep listening to know the truth about who is Mayuri and what is she.
